Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 83

Focus Occupation: Industrial Production Managers (11-3051)

Associated Occupation: First-Line Supervisors of Production and Operating Workers (51-1011)

Work Activities	Exclusivity of Activity
Analyze operational or management reports or records	62
Assign work to staff or employees	30
Communicate technical information	4
Conduct or attend staff meetings	47
Coordinate production materials, activities or processes	81
Determine factors affecting production processes	84
Develop maintenance schedules	82
Direct and coordinate activities of workers or staff	3
Maintain records, reports, or files	5
Read technical drawings	7
Resolve personnel problems or grievances	68
Understand technical operating, service or repair manuals	6
Use oral or written communication techniques	1

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
